### **Who Lives in the Sea:**

We have spent our week talking and learning about animals that live in the ocean. We made a special book of animals that live in the sea. Do you remember who lives in the sea? We also made a fun picture of a little fish with a very LARGE name: Humuhumunukunukuapua'a

### **Fun in the Sun...**

What fun we had at our kinder beach day! We played in the sprinkler, blew bubbles, and played with a giant parachute. We also laid out on our towels enjoying a cold treat! The best part was having fun with our friends!

We want you to know how special you have been to us this year. Please come to our end of the year program: Wednesday for Mrs. Page & Mrs. Bateh, Thursday for Mrs. Clark, Miss Branch, and Mrs. Garcia. No more classroom volunteers next week. We're getting ready for you. See you at the performance!!

### **Things to remember...**

- Monday, May 30<sup>th</sup> is a holiday- NO SCHOOL!
- Come to the end of the year performance! Please check in at the office. Don't forget to park outside the parking lot or you will be called during the performance to move your car!
- Last day of school is Friday, June 3rd. This is a minimum day: 7:45-12:50!
